

# ATTILA 95

Powerful,  
comfortable,  
and easy to operate

## Engine

The high performance two-cylinder Briggs & Stratton Vanguard 18 HP motor offers greater power than others in its category.

## Safety

Attila 95 has been designed with operator safety in mind. Front and side protected mud flaps. Parking brake. Operator presence safety switches. Safety lock and overflow on large capacity petrol tank.

## Driving position

ATTILA 95 has been designed for optimum comfort and the long chassis provides an ideal driving position. Suspension seat with armrests softens the ride.

# Technical Specifications
