Standard items:	Set scarifier blades PTO Shaft Front roller Draw bar up to 540 Rpm 23 mm (0.91")	
PTO speed:	Single acting outlet Maximum 175 bar (250psi)	
Slit spacing side-to-side: (as scarifier)	BrushKit	
Tractor hydraulic requirements:	Front Wheels	
Options:		

The Turf Tidy's fully floating head follows the grounds' contours ensuring accurate cutting and pick up. The unique turbo fan makes a clean sweep of leaves, pine needles, paper and grass clippings.

Breaking barriers to better turf.

### Blades

Due to the turbo fan the debris is compressed into the hopper so that the hopper can carry up to double the quantity when compared with others.

*Turf Tidy in operation with scarifying blades*

*Ideal for collecting cores*

*The diagonal highlift of the hopper enables it to empty into trailers.*
